Education

Education is the most important thing for human beings. It is a continuous and life long process. It brings a great change in our life. Life becomes prosperous and meaningful. It is the foundation of human development. It is said that education is the third eye of human being.

Education makes the people polite and courteous to others. Education is that property which cannot be stolen and we can take this wherever we go. Education teaches us to be civilized. Education provides knowledge, employment, manpower, etc. They can play an important role for the development of the country.

An educated person can solve any problems easily and efficiently. He can easily find out what is good and what is bad. He does not blindly accept or reject anything. Educated people can change whole society.

They are always involved in creative works. Education teaches us not only to be proud but education is like a candle which make the dark place bright.

Educated people are respected not only during his life but also after his death. Educated people are never deceived. So, a country should give first priority to education. Unless a country educated its people, development is impossible.

"Education is not the learning of facts,
but the training of the mind to think!"

"Education is the key to success in life, and
teachers make a lasting impact in the lives of their students."

Article Title : Women empowerment

Women's empowerment can be defined as promoting women's sense of self-worth, their ability to determine their own choices, and their right to influence social change for themselves and others. It is closely aligned with female empowerment - a fundamental human right that's also key to achieving a more peaceful, prosperous world. Women's empowerment and promoting women's rights have emerged as a part of major global movement and are counting to break new ground in recent years. Days like International Women's Empowerment Day are also gaining momentum. But despite a great deal of progress, women and girls continue to face discrimination and violence in every part of the world.

Women empowerment is about creating high-level corporate leadership for gender equality, treat all people fairly at work, respecting and supporting non-discrimination and human rights. Ensure the health, wellbeing and safety of all workers, whether male or female.

Article Title : SPORTS.

Sports are an important part of just about every society and country involving everyone, whether they are playing or watching.

There are many types of sports. Golf is an individual sport unlike tennis, in which one player must be at the other to finish a match. Baseball, basketball, and soccer are team sports in which team play against each other, the members helping each other to win as a team.

Sports often reflect the culture of the countries in which they are played. In many ways, sports define a society. They show how people can make a living by being athletic, and entertaining other people. They give people way to test their athletic skill against other people. Most of all, they give people something to focus on and follow that is a sort of release from the stressful chores of everyday life.

- These are world-class players and sportsmen but they are self-made no state policy has groomed them.
- There should be a national plan and policy to encourage and patronise player and sportsmen catch them young and they be trained, groomed and totally adopted in every way by they state then only world-class players and sportmen can be produced.

Article Title : IMPACT OF INTERNET ON CHILDREN

* Not enough sleep. Media use can interfere with sleep. Children and teens who have too much media exposure or who have a TV, computer, or mobile device in their bedroom fall asleep later at night and sleep less.

* Obesity. Excessive screen use and having a TV in the bedroom can increase the risk of obesity. Watching TV for more than 1.5 hours of TV daily is a risk factor for obesity for children 4 through 9 years of age. Teens who watch more than 5 hours of TV per day are 5 times more likely to have overweight than teens who watch 0 to 2 hours.

* Delays in learning & social skills. When infants or preschoolers watch too much TV, they may show delays in attention, thinking, language and social skills.

* Sexting, loss of privacy & predators. Sexting is the sending or receiving of sexually explicit images, videos, or text messages using a smartphone, computer, tablet, video game or digital camera. About 19% of youth have sent a sexual photo to someone else.

* Cyberbullying. Children and teens online can be victims of cyberbullying. Cyberbullying can lead to short- and long-term negative social, academic, and health issues for both the bully and target.

Article Title : Homelessness in India

Homelessness is a major issue in India. The Universal Declaration of Human Rights defines 'homeless' as those who do not live in a regular residence. The United Nations Economic and Social Council statement has a broader definition of homelessness. It defines homelessness as follows: 'When we are talking about four walls and a roof. The right to adequate housing is about security of tenure, affordability, access to services and cultural adequacy. It is about protection from forced eviction and displacement, fighting homelessness, poverty and exclusion. India defines 'homeless' as those who do not live in census houses, but rather stay on pavements, roadsides, railway platforms, staircases, temples, streets, in pipes, or other open spaces. There are 1.77 million homeless people in India, or 0.15% of the country's total population, according to the 2011 census consisting of single men, women, mothers, the elderly, and the disabled. However, it is argued that the numbers are far greater than accounted by the point in time method. For example, while the census of 2011 counted 46,724 homeless individuals in Delhi, the Jodo - Global social service society counted them to be 88,410, and another organization called the Delhi Development Authority counted them to be 150,000. Furthermore, there is a high proportion of mentally ill and street children in the homeless population. There are 12 million street children in India, the largest number of any country in the world, with 11 million being urban.

Article Title : Value of time

Value of time means the importance of time. Our life is very short. It is necessary for us to use the time properly. It means time once gone cannot be returned. To achieve success in life, we should use the time properly.

Some people do not realize the importance of time. They spend their life carelessly. They can never get success in life. We should take time as our wealth. We should utilize every should. Waste of time is a loss of life. So it is necessary for us to make the routine as to use the time properly. Our daily life should be carefully planned. We should spend the time by doing some important work that can make our life successful. We should not spend time on gossiping, playing cards, doing unnecessary activities etc. It means we need to understand what is important and what is not important with the flow of time. We must use the flow of time. We must use the time accordingly.

Our past is already gone. We can have no control over it. We can learn something from our past. The present is the most valuable time which will determine our future. So we. Besides why carrying out the responsibility of our working assignment suddenly unexpected health problems or family disturbance result in between which will lead as part of our look, luck.

Article Title : Overthinking

Overthinking is going over the same thought again and again, analysing the simplest of situations or events until all sense of proportion has gone. The overthinking brain cannot translate these thoughts into actions or positive outcomes, so therefore creates feelings of stress and anxiety.

Everyone overthinks sometimes. The problems arise for people who find it very difficult to stop the thoughts. Whereas the occasional over-thinker can intellectualise the initial worry, the real ruminator is subject to a constant barrage of negative thoughts. Naturally, it's all too easy for various vicious circle to develop, as increased anxiety leads to further overthinking, and so on.

We talk about solutions and ways forward, helping you to set achievable goals, and to recognise those times when you are coping well and to build upon those strengths and resources.

- "People become attached to their burdens sometimes more than the burdens are attached to them."
- "Overthinking is the biggest cause of unhappiness."
- "Sleeping is so hard when you can't stop thinking."

आई

आई हुका नाप असतं

घरांतल्या घरांत गजबजलेल गाप असतं

सर्वांत असते तेव्हा जाणवत नाही

आता नक्की कुठंच तरी नाही म्हणवत नाही

जत्रा पांगते पाल उठतात

पोरक्या जमिनीत उमाले दाटतात

आई मनामनात तशीच ठेउन जाते काही

जिवाचे जिवालाच कळवे अस जाते देउन काही

आई असतो हुका धागा

पातीला उजेड दाखवणावी समईतील जागा

घर उजळते तेव्हा तीच नसत प्लान

चिड्डून गेली अंधारात की

सैरापेरा धापायलाही कमी पडत राव

आई धारात नाही मग कुणाशी बोलतात

गोळ्यात हंषणारूया आई ?

आई खरंच काय असते,

लंगड्याचा पाय असते, वासवाची गाय असते

दुधापवची माय असते, लेकराची माय असते

आई असते जन्माची शिंदोरी

संरातही नाही आणि अस्तही नाही.

होळी

[होळी]

होळी हा भारतातील लोकप्रिय सण आहे. हा सण दरवर्षी फाल्गुन महिन्यातील पौर्णिमेला साजरा केला जातो. होळीला हुताशनी पौर्णिमा किंवा शिमगा असेही म्हणतात. होळी हा हर्षाचा, उत्साहाचा व रंगांचा सण आहे.

होळी या सणाची सुरुवात होलिका दहनाने होते. याची एक प्राचीन कथा आहे. दुर्योधन नावाचा राक्षस होता. भगवान विष्णूचा परम भक्त भक्त प्रल्हाद हा त्याच्या मुलगा होता. म्हणून दुर्योधनकडून बरीच त्रास होत होता. म्हणून दुर्योधनकडून बरीच त्रास होत होता. होलिकाच्या मदतीने प्रल्हादला मारण्याचा कट रचला. होलिकाला आगीत न जळण्याचे वरदान मिळाले होते म्हणून ती भक्त प्रल्हादला धोकून आगीत बसली.

भक्त प्रल्हादला भगवान विष्णूंनी वाचवले मात्र होलिका जळून अस्म झाली आणि वाईटाचा नाश झाला म्हणून होलिका दहन केले जाते. या दिवशी वाळतेले गवत, काटक्या, गोव्या इत्यादी गोळा करून होळी रचतात. होळीला नारळ अर्पण करून पुरणपोळीचा नैवेद्य दाखवला जातो. होळी पेटवल्यावर लोक त्याभाषाती "होळी रे होळी पुरणाची पोळी" असे म्हणत प्रदक्षिणा घालतात.

होळीच्या दुसऱ्या दिवसाला धुलीवंदन किंवा धुलपड साजरी करतात. वाईटाचा नाश करणे व चांगल्याचा स्वीकार करणे हाच होळीचा खरा संदेश आहे.
